Climb

Reflecting on the Journey

“Thank you for believing in me, no one has ever believed in me, and now I feel like I can do anything!” - **Brittney**

“The mental health counseling helped me make peace [with] myself.” - **Bailey**

“The program pushed me to move forward towards a better lifestyle.” - **Cierra**

“This program taught me to climb to open my view.” - **Mary**

“Climb gave me the tools to deal with my issues and the space to make a choice to work through them. I feel inspired. Climb helped me believe in my life again, and I am a stronger person now.” - **Katie**

“Climb helped me create better job opportunities for a brighter and happier future. I am feeling more empowered.” - **Ashlee**
