CHEYENNE PROGRAM UPDATE WINTER 2021

“I used to wait in fear for the other shoe to drop and something else to go wrong in my life. Well, I’m not waiting anymore...I’ve learned to trust myself to face the challenges ahead of me and I’m so proud of how far I’ve come.”

–Brittany

of this program, contact Angi today
at angi@climbwyoming.org!

In Climb’s recent Cheyenne program, participants were provided with laptops, help accessing internet service, and IT support so that the women could participate in the training and connect with each other. The virtual classroom has created unique learning opportunities, including a discussion with past Climb graduates (right), live instruction with Laramie County Community College, and both individual and group counseling.

Left: Brittany and her daughter with a Safe and Healthy Home Kit donated by Charter Communications. **Above:** Beck, a Certified Nursing Assistant (CNA) graduate, joins her group online. During the pandemic, Climb has maintained our therapeutic model of working in groups to expand learning and personal growth.
