- Patient care

CURRENT EMPLOYER PARTNER: Healing Hearts Home Health

If you are an employer
INTERESTED IN HIRING GRADUATES
of this program, contact Jenny today
at jenny@climbwyoming.org!

In Gillette’s recent Medical Careers program, participants were provided with laptops, help accessing internet service, and IT support so that the women could participate in the training and connect with each other. The virtual classroom has created unique learning opportunities, including live instruction with trainers in remote locations, and both individual and group counseling.

Left: Ashlea, a past Climb graduate, with her children. **Above:** Participants in Gillette's recent training practice in the medical training lab at Gillette College. The group included 10 moms and 24 children.
